

CAMP KEHILLA

SUMMER OF SUCCESS

“I’m so grateful for the incredible team at Camp Kehilla. We hadn’t had much success with previous camps, and I was hesitant thinking he would want to quit and stay home. However, for six weeks, he had a smile on his face every day. His speech improved, and he’s been talking about joining again next summer.”

“He LOVED camp, and we LOVED seeing him so happy, comfortable, and excited to start every day, knowing he would have the best time, be safe and included. He did things this summer we never thought he would do. We are thrilled with his progress!”

“Camp Kehilla was pure magic for our 7-year-old! He had an absolute blast, made new friends, and discovered exciting hobbies. Camp Kehilla worked wonders for his social skills, boosted his confidence, and turned him into a little superstar citizen. We’re over the moon with the incredible growth we’ve seen in him this summer.”

CAMP KEHILLA

SUMMER OF SUCCESS

“My son feels welcomed, accepted, and safe. He loves being around other children who are like him. He thrives on being free from the pressure to mask his true self to conform to a neurotypical environment. We are so grateful to the Camp Kehilla team and can't wait for next summer!”

“This is the first time my child has truly enjoyed camp. He had an amazing summer. You are all the reason for that! Thank you from the bottom of my heart!”

“It's so amazing to have a camp like this with such wonderful staff. My daughter loved it and is already saying how she can't wait to go back!”

“There are so many young and educated counselors who have helped my son with his emotions. I was consistently updated about his day. There was never a day he wasn't excited for camp. Each week was themed and had so many fun activities to do. He has improved in his social skills due to ALL the counselors at Camp Kehilla. He left this experience as a more joyful kid with having new and better ways of expressing himself.”
